### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Alex C. Chen on Friday, September 16, 2005.

The application has been amended as follows:

**In the claims:**

In claim 1, line 10, the phrase "one of" has been deleted

In claim 41, line 12, the phrase "at least one of" has been changed to --at least--

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of records fail to teach or suggest the following:

A method/or apparatus in which a pre-existing idle open connection is selected from determined pre-existing idle open connections in response to a connection request, by an access network having an overload condition, and wherein the selection is based on at least open connection time and traffic activity of a plurality of determined preexisting open connections, as indicated in independent claim 1 and 41.

A method in which a pre-existing idle open connection is selected in response to a connection request, by an access network having an overload condition, wherein the selection is based on a grade of service and data traffic activity of the preexisting open connection, as indicated in independent claim 45.

A method in which a pre-existing idle open connection is selected from determined pre-existing idle open connections in response to a connection request, the selection is based on the grade of service and the longest idle open state connection time as indicated in independent claim 49.

A method in which a pre-existing idle open connection is selected from determined pre-existing idle open connections in response to a connection request, the selection is based on the grade of service and the amount of a predetermined data transferred in a predetermined period of time of the selected open connection as indicated in independent claim 50.

### ***Conclusion***

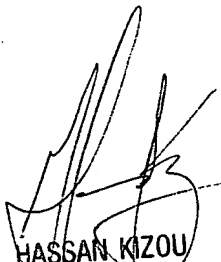

1. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
